

# PIGEON POST

## DECEMBER

- Wed 5 ~ P&C meeting ~ 7pm
- Wed 12 ~ Year 6 Day Out
- Mon 17 ~ Yr 6 Graduation
- Tues 18 ~ Celebration of Learning
- Wed 19 ~ Last day of school for 2018

## 2019

- Mon 28 Jan ~ PUBLIC HOLIDAY
- Tues 29 ~ Staff Development Day ~ NO STUDENTS
- Wed 30 ~ Years 1-6 STUDENTS RETURN
- Mon 4 FEB ~ Kindy BEGIN

## Giving back to others

<https://www.facebook.com/therunbeyondproject/>

It was such an honour for me to present a cheque (seen in above right photo) for \$3,100 to David Criniti, founder of the Run Beyond Project, last Sunday.

The Run Beyond Project is an experiential program that supports young people as they work towards the accomplishment of a challenging but achievable Goal Event, which ranges from a 10km fun run, to a half-marathon in distance.

<https://therunbeyondproject.com>

The Belle Property BALMAIN FUN RUN is our school's major fundraising event, but it is so important that we also give back to a worthy charity close to our hearts - this year it's the Run Beyond Project. In the past couple of years, we have made contributions to the Chris O'Brien Lifehouse, as well as to Batten Disease Support and Research Association.

Immensely proud of our supportive community...thank you so much for your generosity!

# LEARN LIVE LEAD

## Awards

# YOU CAN DO IT!

## Awards

### K Crabs

David T - excellence in all learning areas

### K Dugong

Gerhard S - starting his story with a sizzling start!

### K Pufferfish

Arwen J - displaying good citizenship by assisting others

### 1/2 Blue Dragon

Lina S - achieving high results from hard work and dedication in her maths

### 1/2 Galapagos

Olivia P - being so brave and singing beautifully in front of the whole school!

### 1/2 Megalodon

Elle Z - outstanding efforts in all areas

### 1/2 Seahorse

Micah C - his conscientious and dedicated approach to his work, always trying his best

### 3/4 Flameback

Lachlan R - his attentiveness and eagerness to improve in all areas of his learning!

### 3/4 Krill

Sarah H - always showing great collaboration and teamwork skills

### 3/4 Turtles

Henry C - his leadership, friendship and maturity shown to peers and teachers. Also his dedication to all learning areas. Excellent work Henry

### 5/6 Coelacanth

Toby C - posing interesting questions about how light behaves in space to guide his inquiry task

### 5/6 Lasseater's

Finn W - demonstrating leadership in sport and Year 5 group activities

### 5/6 Tethya

Connor C - working collaboratively with his peers in literacy rotations and extending their collective knowledge!

### 5/6 Wahoo

Bella T - her outstanding space probe work in science

### 5/6 Yabby

Keira C - her F2L spacecraft diorama

### K Crabs

Vivienne B N - her commitment to completing an entire book over several days

### K Dugong

Jack S - knowing to stay calm and bounce back when faced with a difficult situation

### K Pufferfish

Jordan G - persistence with her reading and sight word learning goals

### 1/2 Blue Dragon

Oliver B - hard work and dedication to improving his reading

### 1/2 Galapagos

Leo L - working hard to persist with tricky maths problems

### 1/2 Megalodon

Olivia P - working hard in resilience

### 1/2 Seahorse

Arabella S - her persistence and enthusiasm with all tasks

### 3/4 Flameback

Corey M - the improvement he has made in all areas of his learning!

### 3/4 Krill

Alex T - never giving up on a task

### 3/4 Turtles

Santi S - his persistence in English and spelling to see the great improvements across the board. Fantastic work, Santi

### 5/6 Coelacanth

Charlotte P - her positive and persistent attitude to learning and to helping others

### 5/6 Lasseater's

Harry McL - demonstrating persistence in all facets of his learning

### 5/6 Tethya

Hannah B - taking ownership and making positive choices

### 5/6 Wahoo

Ned L - being inquisitive during classroom learning

### 5/6 Yabby

Mathilde L - her persistence in maths, creating a skeletal 3D object

THURSDAY, 22 NOVEMBER

# BALMAIN BAZAAR

On Thursday, Year 6 students held the Balmain Bazaar. Students created and brought in products, to support their end of year events and to give back to Balmain Public School. The day was a huge success! Despite the rain and the dust storm, students reorganised themselves in a new space and persevered. The bazaar took weeks of planning, which involved the consideration of roles, food, baking, location and advertising.

There were many stalls, like the Haunted House, the Cakery Bakery 20, and Sponge Throwing, as well as Spider Stalls and games. The whole school was able to get involved. Students went home with drawings, colourful hair and very full stomachs!

A big shout out to Ms. Biggins, for giving up the music space, Miss Weston, Miss Yau, Miss Weaver, Ms Adamson and Miss Tamplin for all their help, the K-5 students for making it an enjoyable day and buying our products, and to Year 6 for making it a spectacular day.

- Year 6 Students

MONEY RAISED:  
\$2378.75  
CONGRATULATIONS!

TECH CLUB PRESENTS....

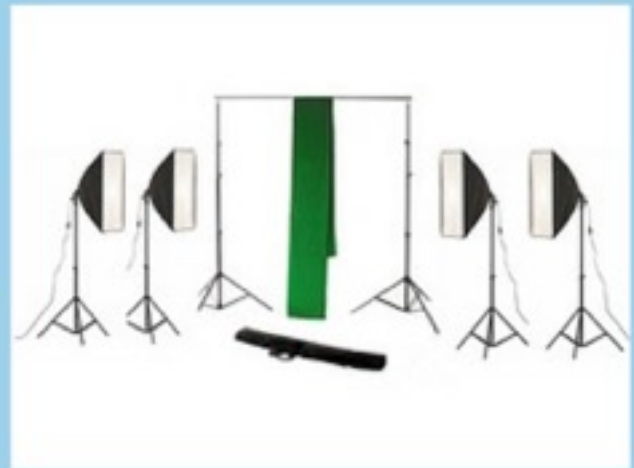

# Learning for STEAM

In 2019, the NSW Curriculum will include a mandatory Digital Technologies strand within the Science and Technology syllabus. Here are the cool new resources we have been researching and experimenting with in Tech Club to prepare for the change.

Alex Templer-Feeney

## GREEN SCREEN STARTER KIT

*The Green Screen Starter Kit is a film kit including a green screen and 4 large lights that can be used in schools, households and workplaces.*

*The Green Screen Starter Kit is a great kit for teaching basic filming skills and then slowly developing more advanced skills in filmmaking, production, editing and design.*

*I like this kit because I know how helpful it will be to have somewhere to do proper filming for F2L, PBL and other projects. It will also be quite beneficial for teaching filming techniques to students.*

**Do you have  
unwanted LEGO  
at home?**

BPS are looking to build an interactive LEGO design wall to coincide with the new Digital Technologies focus! Please donate any unwanted LEGO into the donation box by the school office.

**Every piece counts!**

Charles Bennett

## LEGO MINDSTORM EV3

*This product is a robot that is made of Lego and requires you to program using drag and drop technology. The Mindstorms can be programmed to move, play sounds and to send messages to other robots so they can have a conversation. This robot has improved my skills of coding and programming and it will help with teaching your child about how tech works.*

Maya Sarroff

## MAKEY MAKEY

*With Makey Makey you can turn everyday objects like bananas into touchpads, musical instruments and much more; you are the inventor! There is no programming knowledge needed, no software to install and it works with Mac and Windows. Makey Makey is a creative way to learn and develop an interest in this area. I like this resource because it allows you to design, create and review your invention. You get to experience the whole process as an inventor!*

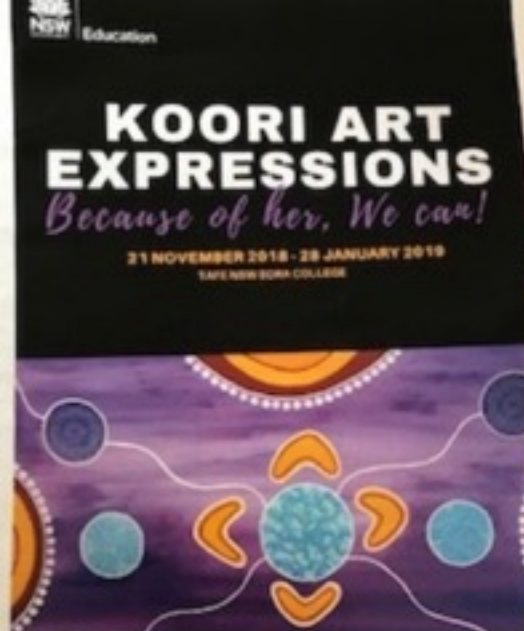

Nicholas Graves

## SPHERO SPRK+

*The Sphero improved my knowledge about tech. I like that the Sphero is game-based; you can do missions, level up and unlock abilities with cores (coins). I feel like it is a really good resource because it is inviting, and younger kids who might not want to engage with coding may be more motivated when they understand it's like a video game. This product is a robot that is controlled by an app that you can download.*

**Congratulations to Waima-Lee Ashby, Alesha Sedgley Davis, and Matilda Pickin; Charlotte Penny and Ava Rutgers; Chloe Bridge; and Bethan McCracken for being chosen to have their artwork exhibited in the Koori Art Expressions Exhibit, 'Because of her, We can!' The exhibit is running from 21 November 2018 - 28 January 2019 at TAFE NSW EORA COLLEGE**

**to be, or not to be...**

**Guess which team came 2nd at the Theatre Sports Finals on Friday evening?**

**Congrats!!!!**

# THE 3/4 FLAMEBACK FEED

## Outdoor learning

"We are pleased to inform you that you have been accepted to Hogwarts School of Witchcraft and Wizardry!". We mixed potions and solved riddles to explore capacity in math!

## Literature Circles

We each have a role while reading our group novel. It keeps us engaged and focused!

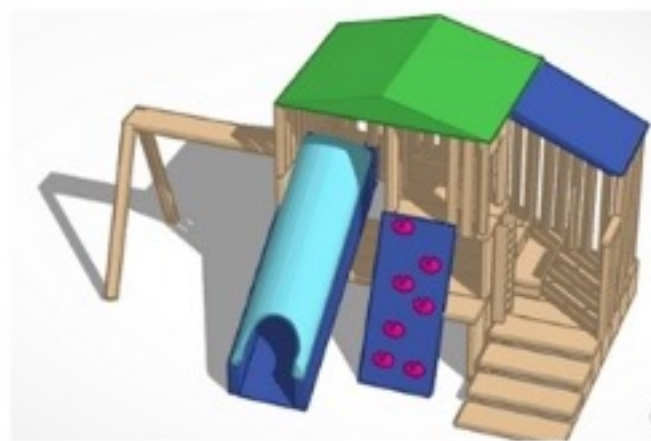

## Social Stories

It is so important to us to improve our social skills! We are teaching each other tips for how to handle different situations.

# SOLE - What makes a great playground?

We have been working hard to answer the big question of 'What makes a great playground?'. Some of us have used Tinkercad to create 3D digital designs of our playground plans! We are learning to apply real-world skills to solve realistic problems.

## Science - Make a solar energy system to ☀️ cook an egg 🍳

Our current project is about planning, designing and creating a solar energy system that will be able to cook an egg! We have been brainstorming and researching different types of materials and structures that will work best.

## PBL - Sculptures By The School 🎨

Stage 2 is currently working together to bring Sculptures By The Sea to BPS. The vision is to create sculptures made up of re-used materials. The exhibition will be available for viewing on the top floor in Week 8. Stay tuned, further details to come.

## History ⌚

Presentations on Ferdinand Magellan have been completed! We went through a thorough peer feedback system to build on our presentation skills. During literacy we have extended on History and are now exploring the big question 'What would have happened if the Spice Islands didn't exist?'.

# NEW BPS UNIFORM

## Order your new school uniform items here...

If you need to try on items for size, or want to collect in person the uniform stall is open at the following times:

**8:30 - 9am Friday mornings during school term**

**January 23rd 9 - 10:30am (school holidays)**

**January 29th 9:30 - 11:30am (pupil free day)**

Anything ordered online during the school holidays can be collected on the 23rd or 29th January. During school term items will be delivered to your child's classroom on Friday's unless noted otherwise on your order form.

The uniform stall is a P&C initiative and money raised from uniform sales goes back into the classroom.

Any enquiries regarding the uniform please contact us on [balmainpsuniforms@gmail.com](mailto:balmainpsuniforms@gmail.com)

## WHAT TO DO WITH BROWN ITEMS?

For those wondering what to do with brown uniform items, we have set up the following:

**Good quality items** are still accepted at the **Second Chance Uniform stall**

**Worn / stained items** can be taken to H&M or dropped in the H&M box in the office foyer. H&M first try and donate items for re-use and what can't be re-used is repurposed / recycled.

**Up until Dec 14th**, we have also set up a donation box to send good quality **items to Fiji** for them to be used at a school there. They are needing logo hats, good quality shorts & t-shirts and any new school supplies you may wish to donate. Given the climate, they do not want donations of jumpers.

**EATON STREET CENTRE INC.**

**PLAY. DISCOVER. GROW**

# **Expression of interest for MYOB Bookkeeper position at Eaton St Centre**

Our Centre, is an independent, not for profit, community-based incorporated association providing before, after school and vacation care services at Balmain Public School

We are looking for someone with:

- High attention to detail who is an experienced MYOB Bookkeeper.
- Payroll, IAS, BAS and Superannuation processing experience
- The ideal applicant would be a qualified accountant who is returning to work or looking for more child friendly hours

The role is permanent part time (2-3 days a week).

If you are interested in this position then please send your resume to [oneeatonstreet@gmail.com](mailto:oneeatonstreet@gmail.com) or speak to the Eaton St Treasurer on 0401 991 612.

A more detailed job description is available on request.

# BALMAIN PS INSTRUMENTAL MUSIC PROGRAM

## YOU'RE INVITED TO JOIN US!

Welcome to our vibrant  
community of music  
making...

A message from our  
Program Managers...

The Balmain PS Music Program is a unique and vibrant part of the school community.

All ensembles play regularly at morning lines for their friends and family, school events such as the celebration of learning, Father's and Mother's Day Breakfast, and Welcome BBQ each year.

Ensembles collaborate together during the year and all students work together and play together in a fun, social and productive environment and have great end of term concerts!

Balmain PS musicians are so talented and everyone is welcome to share in the love of music! We can't wait for more young new musicians to come join in the fun!

Ms Hailey Stafford (strings) &  
Ms Naomi Robinson (Band)  
DIM Program Managers

“

"I'VE LOVED BAND. IT'S LOADS OF FUN AND I LOVE THE WAY YOU CAN MEET NEW PEOPLE AND WORK WITH THEM ... IT IS SO MUCH FUN! ENJOY!"

AVA, 2018 BAND MEMBER

”

# Band

Years 3-6

## WHAT INSTRUMENTS CAN I CHOOSE?

Choose the instrument you think you'd LOVE to play.  
The more you enjoy playing your instrument at home  
for your family and friends - the better you'll be!

Saxophone

Flute

Trumpet

Clarinet

Baritone

Trombone

## HOW DOES IT ALL WORK?

You'll come to 2 teacher-led sessions each week at school

### Junior Band Ensemble Rehearsal - Thursdays 7.45am

- Your band ensemble rehearsal is the perfect opportunity to practise your listening skills and learn how music is made when the whole band plays together.
- All band instruments rehearse together in this session. They are led by our trained conductors.
- These rehearsals prepare you to be part of some awesome performances - both in school and out in the community.

### Private Instrumental Tutorials - These are held during school time throughout the week.

- Your instrumental lesson is where you really focus on learning the fundamental skills and technique required to play your individual instrument.

## HOW BIG IS THE COMMITMENT?

Learning an instrument is a big deal. You're going to see some great results, as long as you put in the effort required

- You'll need to attend all lessons, rehearsals and performances.
- You should set up a home practise routine starting with about 15 minutes, 3-4 times per week.
- We know from experience it takes 3-6 months to really get going on an instrument. You need to give it a good chance to work - at least 1 full school term. You can not cancel your membership mid-term (cancellations must coincide with the end of a school term).

### Why is band only for older students?

- Band is open to all students in year 3-6.
- Band instruments are all full size and don't come in smaller versions (like violins and cellos do)
- Brass and woodwind instruments take breath control and physical strength, especially in the learning stages, so you need to be physically big enough to handle them.

### Why do I have to choose 3 instruments?

- We need a good balance of instruments in our band so that we can make a good sound together
- You'll tell us your top 3 choices, and we'll allocate the right one for you.

## HOW MUCH DOES IT COST?

DIM membership fees are based on 36 weeks of lessons throughout the year. You will have a combination of ensemble membership and private lessons to pay for. Ensemble membership costs \$120 per term, & private lessons are \$40 per 30 minute lesson. Membership fees include all lessons, rehearsals, & performances throughout the year.

### Annual Membership Fee:

- Paid Monthly (Feb - Dec): \$185 per month, this includes all band rehearsals & all private lessons. Membership Fees are automatically deducted on the 1st of the month, including school holidays.
- One off enrolment fee: \$35 (music book, music bag and practise diary included).

### School Resources Levy:

- \$20 per term, collected by DIM each semester & paid directly to the school, this covers room rental, music resources, & photocopying.

### Extra Costs:

- You'll need an instrument which you can hire or buy from DIM, or you can arrange your own. You may need to purchase consumables like new reeds or oil (depending on your instrument) from time to time.

Limited positions are available on other instruments including drums, bass guitar, keyboard, french horn, baritone, & euphonium.

### Drums & Percussion

There's only one drum kit in the band so you'll be sharing it with the other percussion players. You'll also play ALL the other percussion instruments.

It is recommended that you have a drum kit at home to practise on, however a practise pad/sticks can be purchased.

### Bass Guitar (4 strings)

Lessons are not offered at school for bass guitar, however it can be played in band. A private tutor outside of school is required.

Please note: Acoustic/electric guitar (6 strings) is not appropriate in the band as the repertoire is not suitable.

### Piano/Keyboard

We can have 1-2 piano/ keyboard players in the band. The keyboard players support the bass line and experience is required in reading the bass clef, and also for changing hand positions with ease. A private tutor outside of school is required.

# Strings

Years 2-6

## WHAT INSTRUMENTS CAN I CHOOSE?

Choose the instrument you think you'd LOVE to play. The more you enjoy playing your instrument at home for your family and friends - the better you'll be!

Violin

Viola

Cello

## HOW DOES IT ALL WORK?

You'll come to 2 teacher-led sessions each week at school.

### Junior Strings Ensemble Rehearsal - Every Wednesday during Break A

- Your string ensemble rehearsal is the perfect opportunity to practise your listening skills and learn how music is made when all the string instruments play together.
- All string instruments rehearse together at this session. They are led by our trained conductors.
- You'll be part of some awesome performances together, both in school and out in the community.

### Private Instrumental Tutorials - These are held during school time on Tuesdays and Wednesdays

- Your instrumental lesson is where you really focus on learning the fundamental skills and technique required to play your individual instrument.
- Private lessons are essential for string instruments to get off to a great start.

## HOW BIG IS THE COMMITMENT?

Learning an instrument is a big deal. You're going to see some great results, as long as you put in the effort required.

- You'll need to attend all lessons, rehearsals and performances.
- You should set up a home practise routine starting with about 15 minutes, 3-4 times per week.
- We know from experience it takes 3-6 months to really get going on an instrument. You need to give it a good chance to work - at least 1 full school term. You can not cancel your membership mid-term (cancellations must coincide with the end of a school term).

## HOW MUCH DOES IT COST?

DIM membership fees are based on 38 weeks of lessons throughout the year. You will have a combination of ensemble membership and private lessons to pay for. Ensemble membership costs \$120 per term, & private lessons are \$40 per 30 minute lesson. Membership fees include all lessons, rehearsals, & performances throughout the year.

### Annual Membership Fee:

- Paid Monthly (Feb - Dec): \$185 per month, this includes all band rehearsals & all private lessons. Membership Fees are automatically deducted on the 1st of the month, including school holidays. One off enrolment fee: \$35 (music book, music bag and practise diary included).

### School Resources Levy:

- \$20 per term, collected by DIM each semester & paid directly to the school, this covers room rental, music resources, & photocopying.

### Extra Costs:

- You'll need an instrument which you can hire or buy from DIM, or you can arrange your own. You'll need to purchase consumables like new rosin or strings from time to time.

String Instruments

I'm very small, will I be too little to play? What if I want a group lesson?

- One of the best things about string instruments, is that they come in different sizes (1/4, 1/8, 1/16...), and they fit even the smallest little hands!
- Once you commit to joining the string ensemble, we'll size you up and let you know which size instrument size is the best for you.
- We don't offer group lessons for string instruments. It is pretty tricky when you're just starting out on a string instrument, you need to learn how to tune the instrument, & where all the notes are on the strings, as well as getting used to how all the notes sound. In order to make good progress, private lessons are a requirement of our strings program.

Want to join Band AND Strings?

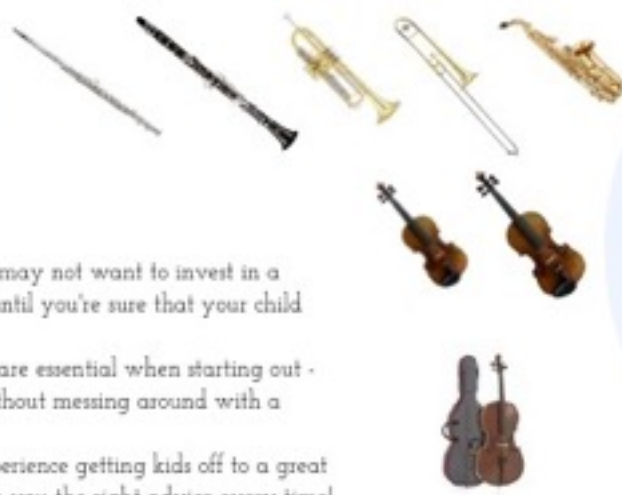

Just make sure you tick the right box on your enrolment form

## OUR INSTRUMENT HIRE GUARANTEE...

"Music is just like sport - you can't learn to play properly unless you've got all the right gear!"

- We understand that you may not want to invest in a good quality instrument until you're sure that your child loves it.
- Good quality instruments are essential when starting out - it can be hard enough without messing around with a substandard instrument.
- With over 15 years of experience getting kids off to a great start, be assured we'll give you the right advice every time!

### WE GUARANTEE...

- Top quality instruments.
- Delivery straight to school in time for your first lesson (when ordered before our delivery deadline).
- Regular opportunities to purchase your hired instrument at a great price.
- Genuine advice you can trust.
- Hire fees - \$44 per month on all instruments.

PLEASE NOTE: WE DO NOT OFFER HIRE OF KEYBOARDS, GUITARS OR DRUM KITS

## How to get involved...

APPLY ONLINE: OR APPLY AT SCHOOL:

1. Visit our website: [www.directionsinmusic.com.au](http://www.directionsinmusic.com.au)
  - Click on APPLY and complete your application
  - Complete the attached paper application form and return it to the school office ASAP
  - Please be sure to include an accurate email address, this is what we'll be using to get in touch to confirm your spot.
2. CHECK YOUR EMAILS
  - You'll receive an email from us confirming your application and offering you a place
3. ACCEPT & PAY YOUR ENROLMENT FEE
  - You'll accept your position by clicking through the email & paying your \$35 enrolment fee
4. HIRING AN INSTRUMENT?
  - If you've requested a hire instrument, you'll pay the deposit to secure your instrument and ensure that it's included in our delivery to school
5. YOU'RE IN!!
  - That's it - there's nothing else for you to do!
  - We'll stay in touch over the next little while, and will count down with you as you get closer to your very first lesson!

Keeping true to our Student Values is an essential part of learning an instrument with DIM. Your child will learn important skills to prepare them for all aspects of life - all while playing some awesome music!
