

Balmain Public School - IT Plan

STRATEGIC DIRECTION 2

Growing into the Future

Purpose:

Developing and supporting well-rounded global citizens, who will use 21st Century capabilities to interact and learn in a future-focused environment.

Teachers will be supported in developing a future-focused mindset, enabling learning environments to encompass 21st Century capabilities.

Expand upon Balmain Public School's Keeping it REAL (Relevant, Engaging, Active Learning) initiative, incorporating investigative learning practices (play-based and project-based learning, investigations, SOLE (Self-Organised Learning Environments), STEAM).
